Even as our churches reopen, many of our Catholics are slow to return to parish life. If the message of Jesus Christ isn't the problem, then what is causing people to stop coming to church? What do we need to bravely confront to revive the dynamism and attractiveness of our faith?

Join us as we draw inspiration from the early Christian community, and gain insights from our Conference speakers on how we can **recover the original magnetism of the church, and attract people back to our parishes.**
