## Catholic Foundation Young Stewards Conference 2022, Sat 29 Oct

Catholic Foundation will be inviting speakers and involving young adults from all over the archdiocese to discuss and share about various relevant issues that young working adults face, focusing on the theme of Christian Stewardship.

Through this event, the Foundation hopes to build a spirit of gratitude and responsibility for God's gifts among young adults, and to see giving of themselves with their time, talents or treasures as the call of being a Christian Steward.

This conference invites young adults to respond to this call: To speak on important issues regarding our faith and provide a platform for us to connect, collaborate and co-create. We will explore in greater depth, on what it means to steward our time, talents and treasures for the Kingdom of God.

You can find more details about the event programme, speakers and their bios at:
