From the Desk of the Parish Priest

With praise and thanksgiving to God, our Holy Father was able to come to Singapore and it was indeed a very spirit-filled visit.

I would like to express my heartfelt gratitude to all our dedicated volunteers who have generously given their time and energy to make this special occasion a success. From the long hours of rehearsals to the thorough familiarisation at the National Stadium, your collective efforts have been instrumental in ensuring a seamless execution. We are truly thankful for the blessings of God our Father, which have guided us throughout this journey. And now, let us cherish the memories of this momentous occasion with these captured moments (photos). Thank you once again, and may God be praised!

See how artists have interpreted the main dogmas of Catholic Mariology such as the Virgin Birth of Jesus, Immaculate Conception and Assumption of the Blessed Virgin Mary. Couples enter into marriage with faith and hope that it will be a happy union that lasts. However, there are occasions when a couple faces an unhappy end to their married life together.
How can Catholics in such a situation continue their life journey in a way that keeps them in full communion with the Church?
This Symposium will help participants gain an insight into the complexity of the issues related to divorce, separation and annulment.
