Embracing the Slow Path: A Spirituality of Retirement (22 – 23 Apr)

Embracing the Slow Path: A Spirituality of Retirement 22-23 April 2026 at La Salle House

In this retreat, we embrace this journey as a kind of spiritual sabbatical, a profound season of grace where the primary work is simply to be present as Beloved before THE Beloved.

A Cenacle Programme

Come and be part of this sacred exploration where the end of a career marks the magnificent beginning of a calling, a new way of being rather than simply doing. This is not a retreat about letting go of work; it is a spiritual adventure into the vast, open landscape of your soul, a time to rediscover the true rhythm of the heart God placed within you.

LOVE OFFERING WELCOME

Caritas SINGAPORE
God's Love in Action

How can we integrate faith into real-life issues? How can we make decisions as a community with faith? Lumen Gentium, the focus of Pope Leo's current catechesis, tells us that we are called to sanctify the world from within and become to the world what the soul is to the body. Join us at CANA to learn the See-Judge-Act method to integrate faith and life in the way we decide our actions. Used by popes and various Catholic organisations, we will use the method in facilitated discussions. You are encouraged to bring friends and community members to learn together.
